Are You
Pivoting from
believing your
mind to trusting
your heart?

Choice is more important than Efforts

Would you start a
fire near wood, or in
the water???

What Will Be in High Demand?

- People crave eye-catching, emotion-filled **visual storytelling**, even they know it's illusional **with a change of identity** (Dream-like virtual world, new form of RPG games and experiences, beautiful visuals, stories that take people into someone else's universe etc)
- A collective **trust crisis** in AI era VS people with fragile hearts will **believe in what gives them HOPE** (scams, cults, crazes, extremist religious practices, psychedelics etc)
- People crave **companionships** & high-quality communal support
- Sick and tire of wars, competition, hustling ; **Retreat** into the inner world
- **Redefining success**, abundance, wealth, happiness and hence life goals and how we spend our precious lifeforce energies everyday
- **Meditation**, dream world, AI-facilitated spiritual-exploration to seek, to explore the depth of inner self, to find peace etc

Birth Chart of the Year –

4 Feb 2024

Hour	Day	Month	Year	
庚 Yang Metal	戊 Yang Earth	丙 Yang Fire	甲 Yang Wood	Surface
申 Monkey Yang Metal	戌 Dog Yang Earth (Metal/Fire)	寅 Tiger Yang Wood	辰 Dragon Yang Earth (Wood/Water)	Underneath

Highlights:

1. If this was a person, he is an **ambitious, courageous, rebellious, resilient, stubborn-as-rock General/War Hawk**
2. All Yang/Masculine elements
3. Lack of Water = Wealth/Economy in the chart
4. On the surface, Wood > Fire > Earth > Metal, producing cycle!
5. Underneath, Year pillar counters, Day pillar' Month pillar counters Hour pillar X
6. Earth element is being countered = to be hit

Again...

Birth Chart of the Year – 4 Feb 2022, 04:51

I. All 8 elements are **Yang!!!**

- Men have more success this year
- Masculine energy are dominating:

Shadow (Wounded Masculine)	Light (Healthy Masculine)
Abuse of power	Active Expansion, Outward-Focus
Aggression/ War	Strength & Courage
Control & Dominance	Confidence & Assertiveness
Competitiveness, Fights	Logic, Discipline & Stability
Perpetration/ Conquer	Responsibility & Protection

Birth Chart of the Year –

4 Feb 2024

- **Very strong action-taking, pioneering, against-all-odds energy**, with the impatient to **start building from scratch!**
- Day Profile as **Yang Earth** is very weak being born in the spring season – represents the difficult circumstances and lack of support this General is facing = **a year full of clashes, challenges, disagreements**
- Weak earth also represent a **drop in real estate pricing**
- Lack of Water = **no substance growth in GDP & economies** (not the focus either); many people will be **out of work**, by choice or by circumstances
- **Both Wood & Metal are strong AND clashing** with each other: Wood is to rebel and forge a new path (us fighting for the future), Metal is to creatively express (me feeling good now);
- Beware of **traffic** accidents esp **Feb, May, Aug, Nov**
- 2 movement stars: **People will relocate** or forced to emigrate, even more refugees
- If you have **Rat** in your chart or luck pillar, you can **unlock the gate** of Water in Dragon and Monkey = **wealth opportunities via work and efforts!**

Summary of Predictions in 2024

- **Silver lining:** At least we have the **forward momentum** and see there is **hope**, and the **motivation to take action!!!** (Vs stagnant & helplessness in 2023)
- Unfortunately, the energy of “peace” is not the dominant energy 😞
- On the surface, the world seems on the “upward momentum” again
- Globally, **East Vs West** is getting more dramatic
- Within countries and communities, many large-scale **demonstrations, unrest & strike against** government and authorities will happen
- A lot of **we VS them, Hero vs Evil** binary clashes between people (which is not the ultimate truth – we are all ONE)
- More brutal than civilized energies around than could impact human behaviours – Empaths, maintain your energy and hold your boundaries!
- Serious **traffic** accidents will happen
- If you consider **buying properties**, keep observing till the end of year
- How do you channel your **warrior** energy into the positive way? How do you create solutions where everyone feels like they are **winning**?

What You Need To Consider If you Are Making A Major Personal Change in Life and Career?

1. **Be a quick mover:** Taking **fast, imperfect** actions in your pivot > measure the response > adjust > repeat! Stop overthinking!
2. Have a big vision + one step at a time: Only then you have the **flexibility to adapt** in the HOWs
3. Follow your **intuition** > logic (NOT your emotion though!!!)
4. Having **multiple streams** of work income is becoming norm – get creative & start with options that don't require much capital! Focus on **constant cashflow**
5. Channel the **anger** towards what is **unfair** out there into action for change!
6. **Choice** is more important than hustling alone – choose **who** you surround yourself with, **where** you are, and **right timing!**
7. Be human, count your blessings, build **local communal support** groups to support each other e.g. **swaps, barter, local markets etc**
8. **Health-wise**, pay more attention to the Liver, kidney, emotional imbalances, womb related issues, respiratory systems and stomach
9. **Be more frugal as stuff might broke** e.g. when you broke an old phone it's less heart-breaking

2024 FENG SHUI FLYING STARS

PERIOD 9!

4 Feb 2024 - 3 Feb 2025

Look at the chart and check which star is falling into your:

- **Front door/ main entrance** (most important)
- **Bedroom** (where you spent the most hours asleep)
- **Living room or work desk** (where you stay the longest time awake)
- **Stove** (if you cook)

If your main door, bedroom or stove falls into the **West**...

To Reduce The Effects of the Hazard(5) Stars:

- **Door:** Place a door mat (white or metallic color) and place a piece of circular copper **metal** plate underneath, or to have 6 metal coins on the door frame above the head
- **Kitchen:** Don't cook or use another stove
- **Bed:** Move to sleep elsewhere in the bedroom if possible!
- **Living room:** don't stay in these sectors for too long; move away your sofa
- *See the dentist after 4 Feb, blood donation, get a body check-up or blood test!*

If your main door, bedroom or stove falls into the **South** ...

- **3 Clashes** means betrayals and being targeted by authorities' figures

To Reduce The Effects of the 3 Clashes:

- Put a glass or bottle of water & change often to reduce the violent energies here if you are a sector you spend time often in

The Best Feng Shui Strategy is **not** about what stuff you put there; it is where you, a living breathing being, **spend the most time in**, performing **activities that ACTIVATE** the energy of that sector at the **RIGHT TIMING!**
